Answer

I have just discovered a great Italian restaurant called Fratelli's in Manchester. It's a small restaurant tucked away in a side street near the city centre. From the outside, it doesn't look very special, but you won't regret stepping inside.

The atmosphere is quiet and relaxed. Although the restaurant is always full, the staff never seem rushed and they always have time to talk about the food and make recommendations. The food is all well cooked and full of flavour. There are delicious pizzas and pasta dishes and some wonderful meat and fish dishes. My personal favourite is the pasta, which is freshly made every day in the kitchens. The prices are a nice surprise too, as it isn't too expensive.

This is a great restaurant for anyone who wants a quiet meal with family or friends and wants to enjoy top-quality food at very reasonable prices.
